The official has put in only 2 years' service and whether he would have got Rs. 67/- in the grade of 67-2-77 in the Judl. dept. is a point for consideration if he had prospects of getting a higher pay viz. Rs. 67-2-77 there, it is not known why he accepted a less pay in the Genl. dept viz. 46-4-67. He now states that he may either be given confirmed on Rs. 67/- or revert to the Judl. dept. & the Dist. Judge to the case is strongly for orders

From the Service Reg[r] it will be seen that the Accused was getting Rs 47/ when he went on the Sedgical Dept- When he was given the same Rs 47/

In the Usual Course he Could Confirmed only on 47/. It is not clear how the Accused States that he would have got Rs 67/- had he remained in the Tech Dept — It is different whether it is true or if there were Chances of getting Rs 67/- he would not have accepted Rs 47/- in the Tech-Dept-

It is for order in these Circumstances Whether the Directs Recommendation to Confirm the Accused on Rs 67/- the maximum of the Grade (may be fixed) - One only Reason that Can Count is the Directs Opinion & the man's work the other Reasons are not quite relevant. If it is Considered he may be Shown some Concession, he may given an advance increment or two There does not Appear to any Justification in giving the Maximum

Dated Bangalore, 21 November 1924.

To

K. V. Anantaraman, Esq., B.A.,
Offg. Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department, B A N G A L O R E.

Sir,

In submitting ~~copy of~~ the application of Mr. T. Kempiah, B.A., clerk on probation of this office on Rs.47/- in grade Rs.45-4-67 praying for his confirmation as clerk in this office from 18th August 1924 on Rs.67/- being the maximum of the grade, I beg to state as follows:-

2. The death of Mr. Venkoba Rao clerk of this office in the grade of Rs.45-4-67 in the early part of January 1924 necessitated the appointment of a graduate with experience of office work to take up and discharge the duties of the deceased official immediately as the department was already shorthanded owing to retrenchment and could not therefore afford to entertain a raw hand who would require time and training to pick up the work. Accordingly the vacancy was advertised in the Mysore Gazette and the appointment was made in conformity with the rules of the Central Recruitment Board.

3. Mr. T. Kempiah was appointed by transfer from the Sub Judge's Court, Bangalore on 18th February 1924 as he was a graduate and was the only applicant who possessed the requisite experience of office work and was kept on probation for 6 months, his confirmation being subject to approved service during the probationary period.

4. The probationary period having expired on 18th August 1924, the official has applied for his confirmation on Rs.67/- being the maximum of the grade from the date of the expiry of the probationary

2//

probationary period in consideration of certain facts submitted by him in his application. He states that the sanctioned scale for a graduate in the Secretariat is Rs.55/- rising to Rs.110/- and that he would have been now drawing Rs.67/- in grade 67-2-77 had he remained in the Judicial Department and prays that he may be confirmed on Rs.67/- from ~~the~~ 18th August 1924. He also states that in case his prayer is not granted he may be reverted to the Judicial Department where he holds a permanent appointment.

5. The official has put in nearly 2 years of approved service under Government and his service Register shows that he has acted on several occassions on Rs.55/-. Ever since he was appointed in this office he has discharged his duties very satisfactorily and has shown himself to be very industrious and honest and deserving of encouragement. He has picked up the work of the office and his retention in this office is absolutely necessary in view of the fact that he strikes me as being a straightforward, steady, smart young man whose useful services cannot be dispensed with and easily replaced.

R

6. As the prospects in this Department for young officials of his character and class are comparatively unattractive and discouraging I feel inclined to strongly urge his prayer for favourable consideration and sincerely hope that the gracious Government of His Highness the Maharajah will be pleased to recognize his claims and confirm him on Rs.67/- with effect from the 18th August 1924.

I have the honour to be,

Sir,

Your most obedient servant,

B. Jagannath

To

Director, Mysore Geological Department,

B A N G A L O R E.

Respected Sir,

I beg to submit the following my humble representation to your benign self with the hope that my hard case would secure a favour able treatment at your hands.

I was appointed in this office on 18th February 1924 by transfer from the Sub Judge's Court, Bangalore on Rs.47/ in grade Rs.45-4-67 my confirmation being subject to approved service during the probationary period which was fixed at 6 months. Now that the probationary period has expired I request your kind self to order my confirmation on Rs.67/- from the date of the expiry of the pro bationary period i.e., from 18th August 1924, in consideration of

1. that I have rendered satisfaction in the discharge of the work originally allocated to me viz statistical work;

2. that I have now been called upon to discharge duties as Accountant more responsible and of a higher magnitude;

3. that had I remained in the Judicial Department in which I had a permanent place I would have now been drawing Rs.67/- in grade 67-2-77 as people who were below me are now promoted to that grade;

4. that the prospects in the Geological Department in its clerical side are not sufficiently encouraging

5. That in the Secretariat and other departments the sanctioned scale for a graduate is Rs.55/- it being in the former the minimum in a progressive grade rising to Rs.110/- by promotion of Rs.5/- per annum;

6. that I have nearly put in two years of approved service under Government without a promotion, having been transferred to this department very nearly at a time when I should have had a lift to Rs.67/- in grade 67-2-77.

To

With the foregoing representation I humbly request your kind self to consider my hard case favourably and to order my confirmation on Rs.67/- being the maximum of the grade Rs.45-4-67 in which I am now working under your benign self. If this is found not possible I request I may be reverted to the Judicial Department where I hold a permanent appointment. Anticipating favourable orders.

I beg to remain,

Respected Sir,

Your most obedient servant,

T. Kempaiya
